Tole & Decorative Painting

Prep:

- Mix equal parts Multi-Purpose Sealer and Spa Blue and basecoat the background. Lightly sand and repeat with straight Spa Blue.
- Apply your various stencils using Snow White, True Blue, Paynes Grey and Hauser Light Green.
- They should place randomly and in areas that are going to show after the flower is painted.

Hydrangea / Leaves

- Paint the two circles of the hydrangea with Paynes Grey.
- Paint stems and leaves with Hauser Light Green.
- Float shade the base of the leaves and down the sides closest to the ground with Hauser Dark Green. Streak in some Hauser Dark on the stems.
- Add some random highlights with Bahama Blue.
- Highlight the stems with Hauser Light Green across the top of the leaves and randomly on the stems.
- Add petals in clusters using True Blue and Snow White.
- Float shade each petal at the base with Paynes Grey.
- Float a highlight on the edge with Snow White and on some add a slight highlight with Bahama Blue.

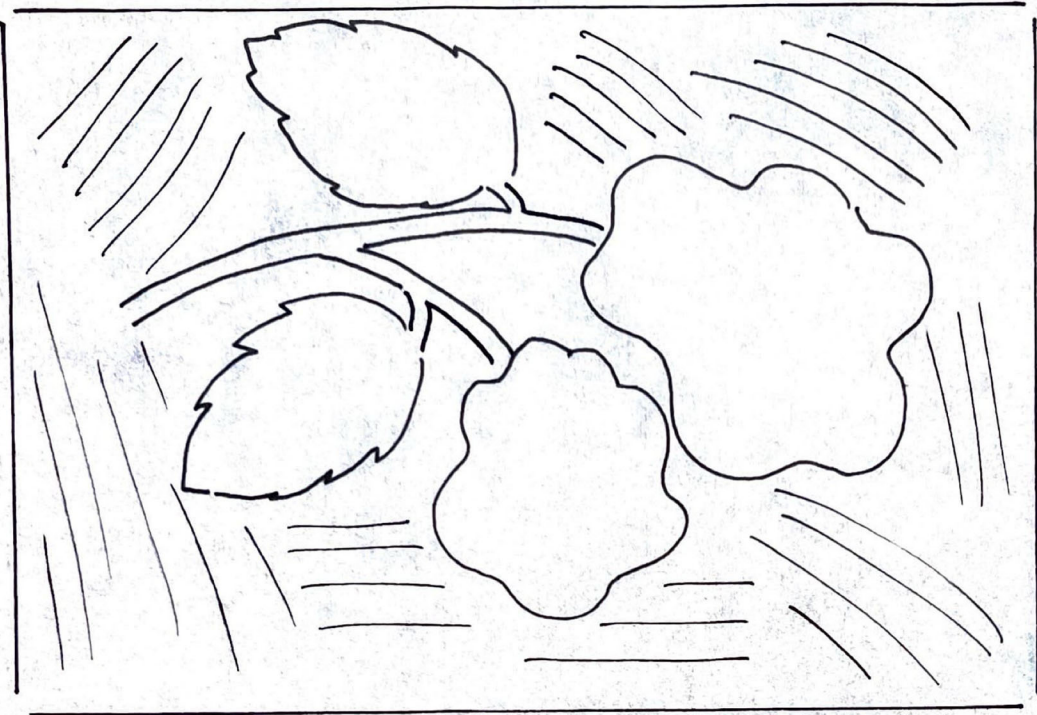

- Centers are dots of Bahama Blue or Foliage Green.
- Drybrush with Snow White random circle shapes to brighten.
- Float shade the edges of the surface with Paynes Grey.

Apply 3-4 coats of varnish and **ENJOY!**
